PISYA GAYATRI
WEB DEVELOPER

ABOUT ME

As a dedicated Computer Science student, I possess a solid foundation in web design and development, leveraging my skills to create visually appealing and functional websites. Proficient in HTML, CSS, JavaScript, and other relevant technologies, I have crafted engaging user experiences and optimized site performance. Continuously striving for growth, I am committed to expanding my skill set, actively pursuing opportunities to enhance my expertise and stay abreast of industry trends. Additionally, my aptitude as a prompt engineer allows me to efficiently troubleshoot and solve complex technical challenges, ensuring seamless functionality and user satisfaction. With a passion for innovation and a drive for excellence, I am poised to make valuable contributions to any project or team, fueling my aspirations for a successful career in the dynamic field of web development.
